Xperio^{UV}

*E-SPF® is a global index rating the overall UV protection of a lens. E-SPF® was developed by Essilor International and endorsed by 3rd party experts. A lens rating of E-SPF® 15 means that an eye protected by the lens will receive 15 times less UV exposure than an unprotected eye. **A lens rating of E-SPF® 50+ means that an eye protected by the lens will receive 50+ times less UV exposure than an unprotected eye.
